Iceland Air (Vancouver - Keflavik - Copenhagen) extended layover in Iceland

Duel Canadian/Danish

When you first arrive in Denmark you need to apply to get a CPR#, CBS staff help

CBS buddies will meet you at the airport but I was greeted by my uncle who I lived with. The metro goes straight from the airport to the CBS main campus

Copenhagen International (CPH)

$120

Yes the orientation was a great way to meet people and was a lot of fun.

L

There is a 1 week crash course and then a full semester class

Don't know

I lived with family so my rent and food were covered. I also do now have much knowledge about living in the city as I commuted in on the train each day from a small community outside the city.

I already had a danish account from my childhood

All are accepted

You submitted which classes you wanted but did not get your final schedule until the week before class starts.

English

Great professors, lots of in class discussion and smaller class sizes

Academically I think the classes I took would be very similar to what is offered at ¶¡ÏãÔ°AV but the cultural differences and learning how to operate in another country and how to travel was the biggest learning experience from my exchange.
