depending on your housing and the amount of baggage you have, the rail and national express may work but if you are not sure where you are going a taxi might be a good idea

Gatwick Airport

It is a good way to meet people who are going through the same proccess and experience as you are. It is also a good way to find a travel buddy as local students may not be as inclined to travel or do as many tourist-y activities.

Off-campus housing is typically the better option if you are looking to be easily accessible to town as the campus is about a 15 min rail ride away from the city centre which makes it a little more isolated in terms of being able to explore Brighton. It is a happy medium as it is close to school by rail and also walkable to the beach and main part of the city.

£750

Homestay (not through the university) is also a good option.
