In the Spotlight

October is Womenôs History Month in Canada, a time to celebrate the women and girls from our past, and our present, who are contributing to a better, more inclusive Canada. In 1992, the Government of Canada designated October as Womenôs History Month, marking the beginning of an annual month-long celebration of the outstanding achievements of women and girls throughout Canadaôs history. This yearôs theme is #BecauseOfYou, which celebrates women and girls in Canada who have made, and continue to make, a lasting impact on our country. Learn more and see how you can participate here.

Events

October 22: Architects & Engineers Professional Liability – Practice & Risk Management Webcast

This is a popular annual webcast that brings together specialized expertise from underwriting, claims and legal advisors in a panel discussion. The session is intended for architects and engineers currently practicing in Canada (except Quebec). The panel provides valuable insights on current trends in the industry and tactics for effective risk management. Learn more and register here.
