

# JobPosting Kinesiologis

---

sciess1 5(asm )-4wae sr(i)4vie

- x Conducting assessments and consults for specialty programs
- x Maintenance of accurate electronic clinical records
- x Independently manage caseload with support from team lead and admin
- x Collaborate with the team to develop and implement treatment plans
- x Ability to combine cutting edge technologies (e.g. PoNS neurostimulation, NeuroCatch mobile EEG, Neurocom Balance Trainer, Neurofeedback and more!) paired with treatment to help clients push past the plateau.
- x Other duties as required

## Qualifications and Experience

- x Currently registered and in good standing with the British Columbia Association of Kinesiologists
- x Bachelor's degree in Kinesiology, Exercise Science, or related field
- x Preferably 1+ years of clinical experience in working with neurological populations
- x Previous experience with LTD and ICBC referrals a plus
- x Work conditioning, FCE, and Return to Work support experience preferred
- x Concussion treatment experience preferred (training available if needed)
- x Excellent communication and reporting skills; strong interpersonal skills
- x Enthusiasm for brain health

## The Finer Details

- x This is a part-time position starting with 16 hours per week with the possibility of having more hours as the caseload increases.
- x Our Clinic is located at 13737 96th Avenue, Surrey.
- x Proposed start date: As soon as possible
- x Treatment sessions are booked one for 4590 minutes. You will have enough time to see 15-20 clients per week.
- x Temporary Kinesiology Services:
  - o Social distancing guidelines in place
  - o Virtual meetings
  - o Sanitizing, disinfecting, or cleaning procedures in place

## What We Offer

- x We offer a competitive compensation package, including a generous base salary commensurate with experience, excellent extended health and dental coverage, Registered Pension Plan (RPP) matching, paid parking for all on-site staff, flexible vacation and employee stock options
- x Our head office comes with additional benefits! Enjoy the rooftop terrace patio with stunning mountain views, access to 24/7 on-site gym facilities, weekly in-house fitness classes, healthy (and, sometimes, not-so-healthy) office snacks, and cupboards filled to the brim with coffee.
- x The opportunity to work in a dynamic, innovative and technology-driven environment with an emphasis on supporting internal growth as we take on new challenges in exciting, and fast-growing industries. As we grow, you will too.
- x Access to a diverse multidisciplinary team to bounce ideas off, including PTs, OTs, Kins, Neuroscientists, Business leaders, Health Innovators

## Our Commitment to Equity, Diversity and Inclusion

HealthTech Connex is committed to creating a team of individuals where difference is celebrated and empowered. We vow that all qualified applicants will receive consideration for employment regardless of race, color, religion, gender, gender identity or expression, sexual orientation, national origin, disability, or age. HealthTech Connex is also committed to compliance with all fair employment practices regarding citizenship and immigration status. Applying an equity, diversity, and inclusion lens to our hiring and succession planning practices ensures a rich company culture and allows us to live our values to Be GREAT!
