## Dear SFUCCS Parents,

Welcome to our first collective bargaining update. At this time, SFU Childcare Society will begin the bargaining process with the BC Government & Service Employees Union (BCGEU), the union that represents our SFUCCS educators, in the next week. We are happy to report that the parties have scheduled meetings from July 24-28, 2023 and we look forward to a positive negotiation period.

I will continue to send updates via email to our parent contact list as we move forward in the bargaining

below, which also includes a link to our FAQ sheet about the bargaining process.
