## **Early Childhood Educators - 3 to 5 Program Permanent Full-Time**

### WHO WE ARE

SFU Childcare Society is recognized for its quality early care and learning. We have been providing and promoting a play based, family focused early care and learning program for children ages 3 months to 12 years since 1968. Nestled on the campus of Simon Fraser University, our physical environments and the experiences shared with children reflect the beauty and nature of our mountain location. SFU Childcare Society values children as the heart of our respectful, collaborative and reflective community by providing them with a place to develop their potential through freedom to explore and engage the world around them.

SFU Childcare Society is a place where:

Children are valued for their ability to do meaningful work, their wonder and curiosity, their perspectives, and ability to play.

Families are valued for their bonds and traditions, their commitment to work, home and community, and their dreams for themselves and for their children.

Educators are valued for their vision, for their delight in children, for their skill and knowledge, and for their commitment to families and lifelong advocacy and learning.
