## **SFU CHILDCARE SOCIETY**

### **1 X Permanent Full-Time Educator School Age Program**

#### WHO WE ARE

SFU Childcare Society is recognized childcare center, nestled on the campus of Simon Fraser University, where our physical environments and the experiences shared with children reflect the beauty and nature of our mountain location. We believe that children, educators, and families bring unique perspectives, skills, and knowledge to our Society which should be fostered through individual representation and shared understandings. We engage in intentional observation, reflection, long-term inquiry, and research as a way for children and educators to understand the process of learning and to fully immerse themselves in this experience.

We believe that it is important to create an environment where educators feel supported and that they are given the space to grow in their practice. Our educators connect with each other and their work through pedagogical dialogue, communities of practice, present at workshops and conferences, and have also published articles detailing their work with children and families. To support this work, our Society is committed to providing ongoing learning and leadership opportunities that connect with our mission and values. Join us 'To champion early learning and care that is intentional, inclusive, sustainable, and responsive.'

#### HOW YOU FIT IN

We are seeking an Early Childhood Educator/Responsible Adult who:

Preferably has their ECE License to Practice or meet qualifications of Responsible Adult: be at least 19 years of age; able to provide care and mature guidance to children; have completed a course or a combination of courses of at least 20 hours duration in child development, guidance, health and safety or nutrition; have relevant work experience  
Committed to understanding the BC Early Learning Framework  
Promotes an inclusive environment  
Is an advocate for children, families & the ECE profession.  
Is committed to professional development and growth

Is passionate, creative, intentional & reflective in their work with children  
Demonstrates an understanding of pedagogical narration or is willing to learn and engage in this practice  
Has a disposition towards research and inquiry  
Is welcoming of the multiple perspectives of children, families & professionals  
SFUCCS has a Covid-19 vaccination mandate that is currently suspended. However, should the Covid-19 vaccine mandate be reinstated, it will be a requirement for all current and future employees.

This position is 37.5 hours, Monday to Friday. The start date for this position
