

Dr. Gerhard Herzberg

Mr. Chancellor:

It is with particular pleasure that I present to you, Dr. Gerhard Herzberg, a scientist of world renown, who modestly carries with him more honors than can be listed in this brief citation.

Dr. Herzberg began his career as a research scientist at the Danneberg Institute of Technology some few decades ago but he only

left his birthplace for this continent. He briefly held an appointment at the University of Saskatchewan, and went on to a three year term at the

Herzberg...page 2

Dr. Herzberg has been awarded the Willard Gibbs Medal and the Pauling Award; his contributions to this, his adopted country, have brought him into that distinguished company, the Order of Canada; and his world stature was fully recognized on November 2, 1971, when the Royal Academy of

granted to Dr. Gerhard Herzberg of Canada for his contributions to our knowledge of the electronic structure and geometry of molecules.
