DRAFT CITATION - THE HONOURABLE WILLIAM M. HAMILTON

When the history of Simon Fraser University is written,
your name, William Hamilton, will be highlighted in recognition

of the quality and significance of your contribution to this
institution. For fifteen years, ending in 1981, you

University Senator and then as a member of our Board of
Governors, we were the fortunate beneficiaries of your wisdom
and experience in guiding us through some difficult times.
Your steadiness, good sense, and good humour greatly helped
this University survive the periods of early discontent, and
take the institution at its flood to lead on to its present

good fortune.

Steadiness of nerve and strength of conviction have marked
