

Mr. Chancellor, I present to you Paul Cote, a man whose energy and generosity of spirit have been inexhaustible in the service of this University. Convocation Founder, Senator, Member and twice Chairman of the Board of Governors, Chancellor for two terms, Alumnus and Sessional Lecturer, he is unique among us. Through Paul Cote's many years of association with our University, much that we honour here today has been marked by his guidance and shaped by his inventiveness. Let us in turn now honour him.

To the Honourable the Governor:

"Two voices are there: one is of the sea
One of the mountains; each a mighty voice."

It must be that Paul Cote has heard these voices, for the land and sea
