

Mr. Chancellor, the Louie family has a long and noble history in this province. Brandt Louie has worked tirelessly to ensure the continuation of the legacy left by his father and grandfather. He enjoys an international reputation as a principled and creative leader, and he has received many honours for his contributions to community, including the Golden Heart Community Achievement Award and the Medal of Merit from the International Association of Lions Clubs. Today, on behalf of the Senate of this University, I ask that you confer upon Brandt Channing Louie the degree Doctor of Laws, *honoris causa*.
