Honorary Degree Citation

The degree of Doctor of Science , honoris causa,
conferred on Dr . Donald Dingwell

Thursday , June 8, 2023

Madam Chancellor, a little over 7700 years ago, the Lower Mainland was blanketed in ash by a massive eruption from Mt. Mazama volcano in the Cascades. So, it seems especially fitting that I am here today to present Dr. Donald Bruce Dingwell, one of the world's leading volcanologists, whose research discoveries now set the global standard for how we investigate and understand volcanic systems.
