MFA Film: Columbia University

BA Ethnic Studies: University of California, Berkeley

## **Dissertation**

Title: *Cyberabad Moves: Mobilizing Futures in a South Indian City*

The dissertation examines the interplay of urban spatial change and new patterns of daily life and behavior amongst

*The Social Lives of Video Games (Special Topics):* Fall 2017, Spring 2018

Teach students to think about video games as sociocultural objects and events—both as products of society and culture and as sociocultural actors themselves.

*The Practice of Anthropology:* Summer 2014, Fall 2014, Summer 2015, Summer 2016, Fall 2016, Summer 2017, Fall 2017

Introduce students to the applications of anthropological methods outside the academy. Course materials cover fields and topics of applied research, ethical considerations, institutional contexts, and approaches to applied anthropology.

*Introduction to Anthropology:* Spring

11/11–12/17 **Contributing Editor, *Cultural Anthropology*, Online**
