Dear SFU Faculty of Education

Thank you so much for your generous support of our students. Your generous amount exceeded our expectations and was able to provide him with a new iPad Air, a red foam case, and a hard case for the iPad Air. The equipment will support his learning and success in the program. As we prepare to transition out of high school, we face many challenges, but you have helped us overcome them.

Wishing you all a happy holiday season.

Gratefully yours,
