

Major Project Development: Responsibilities

All project related communication with user groups must go through the Development Manager.

The organization matrix below is typical for the lines of communication and responsibilities in a **Major Project**:

| | Name | Reports to <i>or</i> Liases with | Project Roles & Responsibilities |
|--------------------|---|--|--|
| Project Initiation | SFU Board | | |
| | Presidents (VPs) | Reports to Board of Governors | <ul style="list-style-type: none"> • Authority to terminate the project |
| | Building Committee | Reports to President and VPs Liases with Facilities | <ul style="list-style-type: none"> • Makes recommendations to the President and VPs |
| | Director of Facilities Development Assistant | | |

| | | | |
|--|-------------------------|---|--|
| | | | <ul style="list-style-type: none"> • Determines final acceptance and coordinates turn over procedures • Coordinates tenant move in (date, telephone, keys etc.) • Coordinates commissioning activities • Project closeout and handover to FM operations group |
| | <p>Prime Consultant</p> | <p>Liaises with Development Manager</p> <p><i>(all communications with User Groups should be through the Development Manager)</i></p> | <ul style="list-style-type: none"> • Responsible for design through contract administration, typically RAIC Document 6 with SFU supplementary Conditions • Commissions basic sub consultants (structural, mechanical, electrical, etc.) • Coordinates design of all sub consultants retained on the project • Obtains client approvals and makes submissions to authorities having jurisdiction • Issues change orders and directives for review and approval by the Development Manager prior to issuing to the Contractor/Construction Manager • Reviews progress claims and recommends to Development |
