## Contributions

### Do I contribute?

No, you are not required to make any contributions; the University is responsible for funding the Plan.

### May I make voluntary contributions to the Plan?

Yes, you can make contributions by payroll deduction. These contributions are credited with the same rate of return as the pension fund earns. The contributions, less withholding tax, can be withdrawn at any time.

### May I contribute to the Plan and an RRSP at the same time?

Yes - however, the amount you may contribute is limited by the pension you earn in the Plan.

No, the Pension Projector is designed to calculate pension estimates for retirement planning. You will not be provided with estimated figures in advance if you are leaving the University prior to age 55. This information will be included in your termination package, as noted above.
