

Academic Information Report - Department of Gender, Sexuality and Women's Studies

STUDENTS

All data in this section are reported based on the fiscal year, which consists of the summer, fall and spring terms. Unless otherwise stated, data are as of the end of the third week of classes each term, except for enrolments in the summer session, which are as of the end of the first week of summer session classes.

1. Annualized Activity FTE (AFTE) Enrolment.

Undergraduate:

Includes AFTE generated in the following courses: Gender Studies (GDST); Gender, Sexuality, and Women's Studies (GSWS); Women's Studies (WS).

- **Non Co-op AFTE for a course**
(# of units) x (# of undergraduate students enrolled) / 30
- **Co-op AFTE for a course**
Each co-op enrolment generates 0.5 AFTE per term
- **Total Department AFTE**
The total AFTE for a department is the sum of the AFTE for the courses (co-op and non co-op) offered by that department.
 - o The course department is based on the academic organization associated with each course in goSFU.
 - o Some courses are reported under an alternate department to reflect arrangements regarding funding and/or administration of the course. These exceptions are based on information provided to IRP by the affected departments.

Notes:

- Includes undergraduate student enrolment in graduate level courses.
- Excludes graduate students in undergraduate courses and audit enrolments.
- Co-op AFTE are normally excluded for reports relating to planning, and included for all other reports.

Changes to definition:

- Prior to Summer 2012, undergraduate student enrolments in graduate level courses generated 0.0 AFTE.
- From Spring 2007 to Spring 2011, each co-op enrolment generated 0.1 AFTE.
- Prior to Spring 2007, co-op enrolments generated 0.0 AFTE.

Graduate:

Includes students in the following programs: Gender, Sexuality, and Women's Studies; Women's Studies.

- **Non Co-op AFTE**

The calculation is based on the type of tuition charged for a graduate student's program.

1. Term fee programs, full fee
(# of graduate students) / 3
2. Term fee programs, continuing fee
(# of graduate students) / 6
3. Students enrolled only in a graduate certificate program
(Total units taken by graduate students) / 18
4. Unit fee programs (excluding #3 above)
(Total units taken by graduate students) / 24

-
- Total non co-op graduate AFTE for a term
Sum of the four tuition type groups above

Academic Information Report - Department of Gender, Sexuality and Women's Studies

- **Co-op AFTE**
Each co-op enrolment generates 1/3 AFTE per term.
- **Total Department AFTE**
The total AFTE for a department is the sum of the co-op and non co-op AFTE generated by students enrolled in academic programs offered by that department. A student registered in programs in more than one department is split between the departments.

Notes:

- AFTE for students in unit fee programs include enrolment in undergraduate program courses.
- Excludes undergraduate students in graduate courses, audit enrolments and on-leave students.
- Co-op AFTE are normally excluded for reports relating to planning, and included for all other reports.

Changes to definition:

- Prior to Summer 2011, there was no separation of non co-op and co-op AFTE. All AFTE were calculated using the formulas listed above for non co-op AFTE. As most co-op courses were 0 units, co-op enrolments by students in unit fee programs typically generated 0.0 AFTE.

Source: IRP – undergraduate AFTE database, graduate AFTE/PFTE database.

2. Majors and Minors. Undergraduate major and minor figures at the department level represent unique headcounts for the full fiscal year. 598.

Academic Information Report - Department of Gender, Sexuality and Women's Studies

TA) is equivalent to eight contact hours of teaching assistant instruction. The FTE calculation is based on face-to-face instructor contact hours in ALL sections taught by TAs, not just sections at the .00 level. Contact hours delivered in directed studies courses are excluded. TA base units were derived from snapshots of MyINFO data one point in time in each term in the fiscal year and derived from standard hours entered into the system for the TA, the position entry date, and the expected end date. The department to which TA base units are allocated is determined by the department entered on the TA appointment form, which in some cases may be the Dean's Office, in which case the TA base units would be included in the Faculty total. *Source: MyINFO.*

INSTRUCTIONAL DELIVERY

- 16. Number of Course Sections Taught.** Only sections at the primary (.00) section level are included. Excludes directed studies, distance education, open labs, practicum/co-op, thesis, independent study, capstone, internship sections. Courses taught together (i.e. concurrent) are counted as one section. The section level is determined by the course section with the higher enrolment. *Source: (t)*
