

Academic Information Report - School of Resource and Environmental Management

STUDENTS

All data in this section are reported based on the fiscal year, which consists of the summer, fall and spring terms. Unless otherwise stated, data are as of the end of the third week of classes each term, except for enrolments in the summer session, which are as of the end of the first week of summer session classes.

1. Annualized Activity FTE (AFTE) Enrolment.

Undergraduate:

Includes AFTE generated in the following courses: Planning (PLAN); Resource and Environmental Management (REM).

- **Non Co-op AFTE for a course**
(# of units) x (# of undergraduate students enrolled) / 30
- **Co-op AFTE for a course**
Each co-op enrolment generates 0.5 AFTE per term
- **Total Department AFTE**
The total AFTE for a department is the sum of the AFTE for the courses (co-op and non co-op) offered by that department.
 - The course department is based on the academic organization associated with each course in goSFU.
 - Some courses are reported under an alternate department to reflect arrangements

Academic Information Report - School of Resource and Environmental Management

- **Co-op AFTE**
Each co-op enrolment generates 1/3 AFTE per term.
- **Total Department AFTE**
The total AFTE for a department is the sum of the co-op and non co-op AFTE generated by students enrolled in academic programs offered by that department. A student registered in programs in more than one department is split between the departments.

Notes:

STUDENT SUCCESS

6. Credentials Awarded. The number of credentials awarded by fiscal year, based on the date of convocation. If a student graduates with more than one credential within the same department, that student is counted once under each credential. For Master's degrees, the non-thesis option includes other types of capstones (e.g. project, examination, portfolio, extended essay) as well as non-capstone programs. Honors/Majors includes the following: Environmental Resource Management; Resource and Environmental Management. Masters includes the following: Resource Management; Resource Management (Planning).

11. Graduate Retention Statistics (by year of Admission to Program). Data excludes students who withdrew from their programs before the end of the third week of classes of their first term. Early withdrawals are students who withdrew from their program after the third week of classes of their first term and before completing their second term. Withdrawals include students who transferred to another program at SFU, except students who transferred from a Master's to a Doctoral program within the same department, who are only reported under the Doctoral program. Percentages may not add up to 100% due to students who withdraw or complete in more than the specified number of years (6 for Master's, 8 for Doctorates). Data is reported based on elapsed time since starting the program, including terms of non-registration. Metrics based on data with less than five students is masked for privacy and/or identification reasons. Includes students in the following programs: Resource and Environmental Management; Resource Management; Resource Management (Planning).
