

FASS Requirements:

The PostBaccalaureate Diploma offers those who hold a bachelor's degree the opportunity to develop and follow a program of individualized study, not usually provided by graduate or professional degrees. The program responds to changing educational needs, where mid-advancement or changing career goals demand new knowledge and skills. The PBD may be completed on a full or part-time basis. Students in a PostBaccalaureate Diploma Program complete a total of 30 or more units of work (approximately one year of full study).

PROGRAM ADMISSION REQUIREMENT:

- x Completion of a recognized Bachelor's degree with a minimum graduation grade point average (GPA) of 2.0 from a British Columbia university or a minimum GPA of 2.4 from a university outside of British Columbia.

PROGRAM REQUIREMENTS:

- x Successful completion of an approved program comprised of 30 upper division units (courses at the 300 or 400 level), and some graduate courses if appropriate.
- x At least 15 of the 30 upper division units in a subject area which most closely fits the learning goals of the student.
- x Minimum cumulative grade point average (CGPA) of 2.5 on courses applied toward the diploma.
- x Completion of lower division pre-requisites if required.
- x Completion of the diploma within five years of admission to the program.
- x Residency requires that at least 18 out of the 30 required upper division units for the diploma must be completed at SFU, including 9 units in the student's area of concentration.
- x Units applied to one diploma may not be applied to another SFU certificate or diploma or degree, and vice versa.
