

PHIL 250 Introduction to Philosophy

Spring Semester 2009 | Evening | Vancouver Centre

PHIL 250 3.00 Credits

REQUIRED TEXT

The Middlemarch by George Eliot

COURSE DESCRIPTION

The word "philosophy" comes from the Greek

φιλοσοφία, which means "love of wisdom". It is a very broad term, encompassing a wide range of subjects, including ethics, metaphysics, epistemology, and logic. The course will explore these subjects in depth, and will also examine the history of philosophy and the role of philosophy in society.
