

PHIL 203 Metaphysics

INSTRUCTOR: Martin Hahn, WMX, 4612

REQUIRED TEXT

Readings will be available on Canvas.

This course should provide a valuable introduction to metaphysics, and is a prerequisite for PHIL 400. It is assumed that students have completed PHIL 101 and 102.

Students who are familiar with the material covered in PHIL 101 and 102 will find this course particularly interesting.

When knowledge of the material covered in PHIL 101 and 102 is assumed.

Metaphysics is the study of the nature of reality, and is a central part of philosophy.

The course will cover the history of metaphysics, from ancient Greek philosophy to modern philosophy.

There will be weekly readings and assignments, and a final exam.

There will be weekly readings and assignments, and a final exam.
