PHILOSOPHY 240

The first part of the course is devoted to a study of the history of philosophy. We begin with the ancient Greeks, and then move on to the medieval and modern periods. The second part of the course is devoted to a study of the philosophy of language. We begin with the work of Frege and then move on to the work of Wittgenstein. The third part of the course is devoted to a study of the philosophy of mind. We begin with the work of Descartes and then move on to the work of Locke and Hume. The fourth part of the course is devoted to a study of the philosophy of action. We begin with the work of Aristotle and then move on to the work of Aquinas and Kant. The fifth part of the course is devoted to a study of the philosophy of law. We begin with the work of Aquinas and then move on to the work of Rawls and Dworkin.
