DESCARTES AND RATIONALISM

FALL SEMESTER 2024

PHILOSOPHY

COURSE DESCRIPTION

Famously, Descartes is credited with the phrase "I think, therefore I am". This course will explore his philosophy as well as the Cartesian revolution in philosophy as a whole, which is often said to have begun with Descartes. We will examine his philosophy of mind, epistemology, and metaphysics. We will also explore the influence of Descartes on the development of modern philosophy.

the doctrines and

method. We will also explore the influence of Descartes on the development of modern philosophy and the problems of Descartes' philosophy.
