

Directed Studies Application

Student Name: _____
 Student Number: _____
 Current Unit Total: _____
 Current UD GPA: _____ Min. 3.00 required

Date: _____
 SFU Email: _____
 Term: _____
 Course #: _____

Research Engagement / Directed Studies courses taken:

Course #	# of credits	Term	Instructor
PSYC			
PSYC			

Please list other relevant coursework in the space below.

Describe the focus and scope of the work (e.g. what will the topic of the directed studies be? It must not overlap with regular course offerings. What work will the student undertake? E.g. readings, data analyses, etc.).

What will be the basis of evaluation? (see <https://www.sfu.ca/psychology/undergraduate/course-information/directed-studies.html> for course requirements).

Who will be responsible for supervision of the project? (If a graduate student or post-doc is providing some supervision, please provide their name and position. Please note that supervision of the directed studies is the primary responsibility of the faculty supervisor).

How often will the faculty supervisor meet with the student? If there is a secondary supervisor, how often will that person meet with the student?

If applicable:

Tricouncil Ethics Certificate (TCPS2) has been completed and attached (if student will be undertaking data collection/analysis)

If the student is undertaking analyses that may lead to public dissemination (e.g., conference poster, paper, etc.) then ethics approval (for data collection OR secondary data analyses) may be required. Please see <https://www.sfu.ca/research/researcher-resources/ethics-how-to-manage-research/do-i-require-ethics-approval> for more information.
