Fall 2025 - SCA Theatre & Performance
Long Distance Audition Information and
Submission Instructions

Long Distance Audition Requirements

If you are unable to audition in person, a <u>2-part video audition</u> will have to be created and made available for the faculty's viewing and assessment. Video auditions <u>must be submitted with the questionnaire</u> by the deadline:

- **First Deadline:**

Confirm that your video link works. Your application will not be considered if the link you submit does not work.
Include the video link (and password if required) in your questionnaire submission.

Entry Decisions

We will not be conducting call-backs except in certain cases where we feel like we did not get enough information about an applicant and would like to ask further questions. In that case, we will arrange for a digital call back and interview via video conference. You will be asked to share Part I of your video submission again and you will be given direction.

Entry Decisions will be one of the following:

No Recommendation: This simply means we have no recommendation for you at this time and you have not been accepted into the Theatre Performance Program
