b. Definitions – G. Myers

The Chair spoke to this agenda item and explained that the Corequisite definition did not work in the past as it wasn't clear, hence the proposed change to the calendar language. It was suggested to shorten the wording. Are the proposed changes sufficient? Discussion ensued.

It was agreed that a definition for concurrent is not required as it is normally specified in the course description.

Corequisite should mean that students can take the course before or at the same time, which is not what our current language states. Our forms must be revised to say requisite and it must be specified whether it is a prerequisite or corequisite.

J. Hinchliffe explained that our forms already
