	stability is the result of a number of factors. There were relatively few new graduate
· ·	
·	programs approved in the late 1990's, and the number of faculty members available for

In 2002 the Dean created a small working group that is examining graduate funding at SFU. Some proposals from this group can be expected in 2003.

The tuition fee increase that commenced in 2002-3 added more funds to the internal awards budgets for the 2002/2003 academic year. We increased the number of entrance
