THESIS TOPIC DECLARATION FORM

This form is required to be submitted by all students by the end of the third term of their studies.
If needed, the topic and/or description can be changed later using this form and submitting it at the end of each term afterwards.

This process serves two purposes:

> 1) to engage the student and his/her committee in identification of the thesis topic

> 2) to communicate topics addressed in the program via web site and other communication means.
