Tim Swartz
tswartz@sfu.ca
1 778 782-4579

PREREQUISITES:
Recommended: 30 units including a research methods course such as SA 255, CRIM 220, POL 200W, or equivalent.

Description

CALENDAR DESCRIPTION:
Descriptive and inferential statistics aimed at students in the social sciences. Scales of measurement. Descriptive statistics. Measures of association. Hypothesis tests and confidence intervals. Students in Sociology and Anthropology are expected to take SA 255 before this course. Intended to be particularly accessible to students who are not specializing in Statistics. Students cannot obtain credit for STAT 203 if they already have credit for - or are taking concurrently - STAT 101, 201, 205, 285, or any upper division STAT course. Quantitative
