
Prerequisites:

STAT 302 or STAT 330. Students with credit for STAT 410 or 430 may not take STAT 403 for further credit. Statistics minor, major and honors students may not use this course to satisfy the required number of semester hours of upper division electives credit. However, they may include the course to satisfy the total number of required hours of upper division credit.

Textbook:

JMP IN Version 4 for Windows & MacIntosh
