: This will be a standard in person lecture-based offering. During the pandemic I pre-recorded lectures which will be available on Canvas and on SFU's Mediasite.

: There will be a variety of material available in Canvas. I will not be using Zoom or recording the lectures. My own website has lots of extras from older versions of the course.

: I will be on campus every day in the fall and will hold office hours before the lectures.

: These play a modest role in evaluation and a big role in learning. They are harder than exams.

: every day except some Fridays.

: In person.

: None

: TBD.

: In person. Date: TBA.
