

Normal Posting Practices and Timelines

For Sessional Instructor Positions

The Department of Statistics and Actuarial Science's normal posting dates and timelines for Sessional Instructor positions are as follows:

- For Fall term (September-December) positions posted by last week of June.
- For Spring term (January-April) positions posted by 4th week of October.
- For Summer term (May-August) positions posted by last week of February.

All postings will remain open and accessible for two (2) weeks.

The department requires from applicants to submit a cover letter stating their qualifications for the job.

Inclusion of short curriculum vitae together with any information about the quality of applicant's teaching is appreciated.

Postings are subject to budgetary and enrollment requirements.
