

Letter requesting WF

from Fall 2017 as I have been (surprisingly) drafted into Barravar military service. Due to

The minimum service requirement is two years, and I intend to return to finish my degree as soon as that service is completed.

dated. My grandfather and my father both refused to try to get me out of this, saying it would be "life-changing". Note that both of them have served with distinction and I feel their biases are shown.

Regardless, please allow me to take this leave and I will return in approximately 24 months. I

already have plans for my graduate studies and hope to consider this a mere blip in my

expected career.

With my sincere thanks,
