

NOTE: If you are in your final term of study and you hold maintained status (you applied to extend your study permit before it expired & you are still waiting for the application to be processed), **or** you have a study permit that will expire in your final term of study, please connect with an International Student Advisor, Immigration Specialist to discuss how this could impact your PGWP application.

You can only get one PGWP in your lifetime, regardless of the number of credentials you complete. Please keep this in mind if you plan to pursue another program (e.g. graduate school) in Canada after you finish your studies at SFU.

How can I apply for my post-
