Student's status in your program (e.g. declared major or intended units relevant to your exchange).

It is recommended that you complete additional copies of this form for each of your declared or intended programs (major(s), minor(s), etc.). Provide your advisor(s) with this form via email in advance of your discussion(s).
Maximum number of exchange units student can use towards program at SFU:

By submitting this form in my exchange application, I acknowledge my understanding of:
exchange units towards their degree. In some cases, a maximum of 15 exchange units may apply to the residency requirements for completing a credential at SFU

Which classes in your program (if any) is the student required to take at SFU (and thus cannot take while on exchange)?

Which program requirements would you recommend that the student take on exchange (e.g. upper division, electives, WQBs)?

(Note: Credit values and exchange c R X U V H evaluations can impact WQB eligibility. Upper division W must be completed at SFU. It is possible to take lower division W on exchange, however it is not recommended unless the student takes a traditional English composition course. Please see the [exchange credit webpage](#) for more information.)
