MAJOR: Business Administration EXCHANGE TERM: Fall 2015

#### PREPARATION FOR EXCHANGE

In addition to preparing you visa application before departing for exchange, it is also useful to do some research beforehand regarding which phone plans you can get, which bank you can open an account with and do some general research on the area you will be staying at so you can better plan for transportation (if you should need any, such as taking the tram of bus to class). The most common phone plan carrier is Sunrise, with relatively affordable rates and their national Postbank is the most common ban
