## Opportunity

### SFU Lecturer: Quantitative Kinesiology and Biomechanics

The SFU Department of Biomedical Physiology and Kinesiology (BPK) invites applications for a full-time Lecturer with an emphasis on experimental, theoretical, and computational aspects of kinesiology and biomechanics. Applicants are expected to have a Ph.D. in a relevant discipline, demonstrated excellence in face to face and online teaching, and enthusiasm for overseeing and guiding undergraduate students in the research process. Learn more about the position [here](#).

---

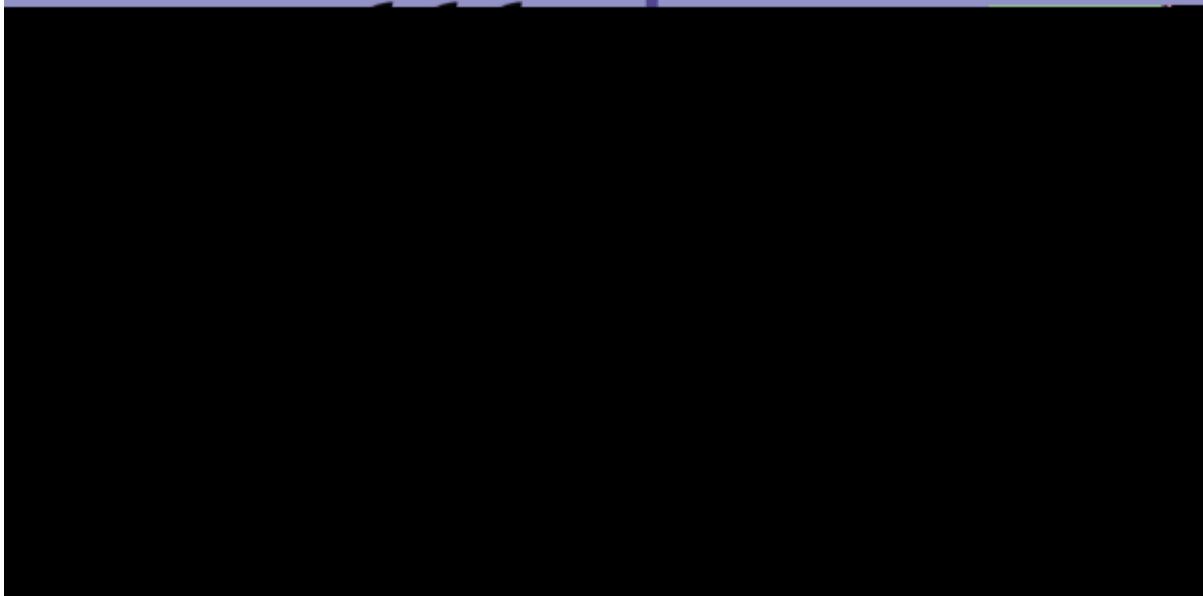

## Blog

Zoey's Extraordinary Playlist is a show that centers on Zoey Clarke, a woman in STEM who can also hear people's feelings through song. This can come in handy sometimes, especially when she hears her coworkers' thoughts on her promotion. She is a valuable software engineer for the company. Read the rest of the post [here](#).
