

It's the new year, and you can start your 2019 off right by attending the Vancouver Women in Tech Regatta on January 28 - February 1. From cryptocurrency to crying in the bathroom, polishing your startup pitch to why women turn on each other, they tackle the topics women in tech care about. Each two-hour workshop features a hour of panel discussion from experts who share their insights. During the next hour attendees break into small groups to share their experiences and help each other to move forward. Register [here](#).

YWCA 2019 Women of Distinction Awards

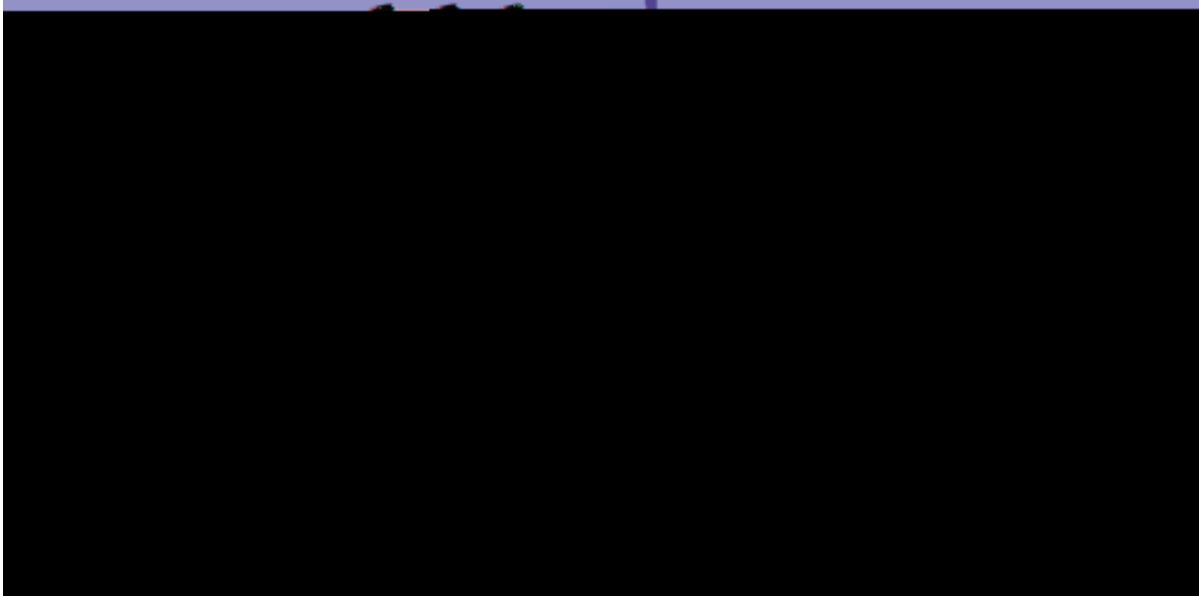

Do you know a woman whose outstanding achievements contribute to the well-being and future of Metro Vancouver? Nominations for the YWCA Metro Vancouver 2019 Women of Distinction Awards are open until Jan 18. Nominate [here](#).

STEAM Horizon Awards

Calling all 16-18 year-olds who á

Marcia MacDonald, PhD, chats with host Danniele this week about working at the World Anti-Doping Agency. You'll hear about how her work helps to implement more efficient processes in the Athlete Biological Passport Program or ABP. But you'll also hear about Marcia's life as a woman in STEM - how relocating from Vancouver to Montreal for her career has been, and what she is most passionate about outside of work (hint: it involves activism in a big, worldwide issue that we are all familiar with - but you'll have to listen to find out more!). Listen [here](#).
