## In the Spotlight

Meet your new employer! Get a new job! Explore new careers!

This is the only Job Fair exclusively focused on women with STEM education and/or work experience. This career fair from our community partners at SCWIST has STEM companies ranging from start-ups to well-established corporations ready to hire, on-the-spot. Plus: HR specialists and recruiters will be present to provide one-on-one resume review! Immigrants, newcomers, academia-to-industry career transitionists and mothers returning to work are strongly encouraged to join! Learn more and sign up [here](#).
