

Events

September 29: STEM Reimagined: Fostering Inclusion and Cultivating Success

This event will explore how distinct STEM industries can remove systemic barriers to strengthen the engagement of women, 2SLGBTQQI, people with disabilities, Canadian newcomers, and Black, Indigenous and People of Color. STEM Reimagined will allow participants to develop new paradigms that value diverse and innovative perspectives while championing sustainable change in STEM industries. Learn more [here](#).

September 30: The Inclusive Workplace - The Six Stages of a Diversity and Inclusion Program

This webinar will cover the six stages of raising awareness, implementing and measuring a successful workplace diversity program : Unmindfulness, Problematic - events occur (or don't occur), Awareness - something needs to change, Solve - what needs to change, Impact - are we experiencing the change we wanted, Mindfulness - being aware of our responsibilities and being accountable is second nature. Learn more [here](#).

Opportunity

Athena Pathways Mentorship Program

The Athena Pathways initiative aims to help BC women enter the fields of artificial intelligence, data science, and machine learning by providing scholarships, mentorships, and employment opportunities. Athena Pathways currently has over 25 women looking for a mentor to further
