The image shows a severely corrupted screenshot of a document. It contains several overlapping and partially legible text elements:

- A header area with "ETA1", "ETA2", and "ETA Salary".
- A section titled "ETA 2 Associated".
- A section titled "Salary (no classroom)".
- A section titled "Schedule for Regular".

The text is heavily distorted by digital noise and color artifacts, making it difficult to read. At the bottom of the image, there is a line of text: "* B (0.17 B ,)".

* B (0.17 B ,)
