

Our aim with this handbook is to assist incoming university students in exploring the rich world of Hellenic Studies. It serves as a comprehensive guide to Hellenic Studies classes, esteemed faculty, diverse programs, educational scholarships, and exciting community events offered by institutions throughout the west coast. By linking Hellenic Studies programs across the region, this handbook fosters a sense of community and inclusivity, providing valuable insights into neighboring areas and facilitating the dissemination of knowledge and opportunities. We are committed to promoting a vibrant community that embraces diversity and celebrates the beauty of Hellenic culture.
